Dear Members of the Phi Beta Sigma Fraternity:

On behalf of the families and staff of the Ronald McDonald House of Fort Lauderdale, I would like to thank you for the generous donation of lunch Saturday afternoon. The families really enjoyed the meal. Nadine told me how much she enjoyed chatting with all of you and that the meal was fantastic. It's not only comforting for the families to come back from a long day at the hospital to hot meal, it's also comforting to them to know that complete strangers care and are compassionate towards their struggle with their child's health. It's People like you and your organization that help Ronald McDonald house remain "The House That Love Built."

The mission of the Ronald McDonald Houses around the globe is to provide a "home-away-from-home," being a temporary lodging facility for the families of seriously ill children receiving treatment at nearby hospitals. Here, families can prepare meals, do laundry, watch television, and most importantly meet and communicate with other families in similar situations, helping them get through the most difficult time of their lives.

Once again, thank you for "caring and sharing" and remember you have a friend in the families and the staff at the Ronald McDonald House.

Sincerely,

Flora Nwalupue
House Manager
Ronald McDonald House of Ft. Lauderdale
